Why Paragon?

Since our inception in 1999, Paragon Commercial Bank has had a history of strong profitability, superior growth and excellent asset quality.

We are the leader in the business banking industry.

Our local team of client development officers possess backgrounds and experience beyond those of typical bankers; because of our size and knowledge of the markets we serve, decisions are made locally and quickly.

We take a consultative approach and partner with you to provide consistent guidance and support, enabling you to remain focused on your business.

Our commitment to being accessible and responsive means you will have a reliable team to address all of your banking needs.
